Notes

In relation to any disputed items and all disputed values for items a party should state, using the item number as a heading:

1. Why an item should not be on the balance sheet.
2. Whether expert evidence is required to resolve a dispute as to value and what steps have been taken to agree upon and appoint a single expert.
3. Whether documents in the possession of the other party need to be provided before the value of an item can be agreed.
4. Any other comment a party wishes to make in relation to the disputed item.
