Hi Stephen,

Sam guided me to the email I was looking for – see below.

It looks like the financial planners are arranging this and I wonder if they intended to include you?

I suggest that you simply reply all (including Heather) saying: Thanks for your email. I confirm I am available to attend but ask that you confirm the purpose of the meeting. My mobile number is 0412 846 712.

I hope this helps and confirm that I will consider and respond to the emails you sent last night,

Kind regards,

Jacqui

Simon is the guy who essentially tried to steal from me. I feel I need legal representation present if I'm to hope on a call with him.

Hi Stephen, I don't think it would be appropriate to have legal representation attend BUT, to allay your concerns IF, you were intentionally invited to the meeting you can ask for it to be via teams (or similar) and for it to be recorded.

Hello Marissa,

Certainly, I'm free. Could you kindly inform me about the agenda for the meeting? Additionally, since Heather and I are no longer together, could you please arrange for a Zoom option and recording of the meeting?

Thank you.

Hi all,

Stephen you will not be present at my planned meeting with Simon to discuss my financial goals. Nor will you be privy to the agenda, nor receiving a recording of this meeting.

Your request is a breach of my privacy. It constitutes ongoing harrassment. Additionally you are not to contact me on any issue other than parenting unless through our respective solicitors.

Regards

Heather

Hi Stephen,

My apologies, the meeting invitation was sent to you in error.

Given that you and Heather are separated, we will not be able to provide you any information regarding the meeting.

We note that you have removed us as advisers on the praemium investment account held in your name, so had assumed you no longer needed our services. However, if you would like to book in for any financial planning, please let me know. Given the conflict of interest, we won't be able to book you in with Simon, but we can look at booking you in with one of other advisers here at Walshs.

If you have any queries, please let me know.

Kind Regards,

Abbey Noakes

Hi all,

Apologies...

I did however make it quite clear to all in my previous email;

A) I was unaware of the nature of the meeting

B) Heather and I have separated

C) I have previously asked Walsh to prepare my most recent tax return as per order by the court. I was under the impression this may be related.

Kind regards,

Stephen

Hi Jacqueline,

I did as you had suggested, please see email exchanges below.

Simon,

I wanted to take a moment to discuss the origins of the "Game Plan" document" dated November 6th 2023. When I was first introduced to the document back in November during our meeting at Heather rooms, Darole made it clear at the outset of the call that the document had been developed under your and Heather's guidance. My legal counsel has advised me to seek clarification on this matter, hence my inquiry.

Can you please furnish all correspondence regarding such matters?

Stephen

I'm not happy this happened. I now have two incidents in which I have been made out by Heather as "ongoing harassment" when it couldn't possibly be further from the truth.

In an effort to dig myself out of this hole, I will now be providing this email exchange in its entirety along with "The Game Plan" document in my affidavit to the court.

This is non negotiable.

Actually – this is excellent Stephen. It shows her complete unwillingness to engage and she was aggressive not you. You look reasonable and sensible.

Are you free to speak later today? I can do after 2pm.

In the meantime, please do NOT send the last email to Simon re the Game Plan yet.

Thanks,
Jacqui

I already have sent that last email to Simon and I cc'd Heather lawyer and took Heather off the email so she can't claim harassment.

Well probably heard from Delany latter today.

Yes I'm available at 2:00pm.
