

Stephen Cooke

✓ Identity verified as Stephen Christopher Cooke

Passionate IT professional with familiarity in Python, Bash, OpenVPN/WireGuard, Linux admin, and network security, including VLAN segmentation. Proven hands-on experience in building IT infrastructure, deploying Docker services like Nextcloud, and securing with Let's Encrypt SSL, Nginx, and Cloudflare. Engaged in open source and Raspberry Pi IoT. Former Aon Canada Account Executive, exceeding targets in brokering accounts receivable insurance.

Career history

Information Technology Infrastructure Specialist

Self employed

Jul 2015 - Present (9 years)

As a seasoned IT enthusiast, my expertise lies in scripting languages like Python and Bash for task automation, OpenVPN server setup, SSL/TLS certificate management, and network security. I excel in OpenWrt firmware customization, VLAN configuration, and custom kernel compilation to ensure optimal device performance and security. Proficient across various Linux distributions, including Arch Linux, Fedora, Ubuntu Server, and Linux Mint, I specialize in system setup, configuration, and administration using command-line tools and shell scripting for seamless automation. I have hands-on experience with virtualization technologies like Oracle VM VirtualBox, successfully deploying and managing Nextcloud instances using Docker. Additionally, I have configured Let's Encrypt SSL certificates, optimized web traffic routing through Nginx reverse proxy setup, and integrated Cloudflare services for enhanced security. My passion for IT exploration, open-source contributions, and Raspberry Pi projects drives my commitment to staying at the forefront of industry trends.

Less ^

Licensed Commercial Broker Account Executive

Aon Corporation

Mar 2010 - Jun 2015 (5 years 4 months)

As an accomplished Account Executive at Aon, specializing in Trade Credit, I excelled in providing innovative solutions for both domestic and international trade risks and exposures. My role encompassed achieving and surpassing new business targets, ensuring unparalleled client service and retention, managing Canadian exposures within international Aon programs, and cultivating robust relationships with insurance markets.

Throughout my tenure, I consistently exceeded new business targets, earning positive performance reviews, and receiving well-deserved performance bonuses. A noteworthy achievement includes being honored with the 2012 Summit North Award for Top Producer, a testament to my exceptional contributions to the organization.

Licensed Sales Agent

Coface

Mar 2006 - Jun 2010 (4 years 4 months)

As a Sales Agent at Coface Canada, I played a pivotal role in managing and expanding an existing portfolio of clients while driving new business development initiatives. My multifaceted responsibilities encompassed strategic marketing, orchestrating prospect meetings, delivering impactful presentations, generating quotations, and overseeing mid-term client servicing.

Noteworthy achievements include the successful execution of targeted marketing campaigns, resulting in substantial client growth. Through a proactive approach, I consistently identified and capitalized on opportunities to expand relationships within the existing client base. The outcome was not only quantitative, as evidenced by impressive client growth percentages, but also qualitative, with a sustained high level of client satisfaction throughout my tenure.

This experience not only honed my sales and marketing skills but also underscored my commitment to delivering exceptional client service. In leveraging a comprehensive approach, I successfully navigated the complexities of maintaining client satisfaction while achieving notable business growth.
