Job Offer for: Req #2539 Hotel Room Attendant - Summer 2026

You accepted the letter on August 2, 2026 at 08:14 PM

PERSONAL AND CONFIDENTIAL

August 2, 2026

Stephen Cooke

Dear Stephen,

We are pleased to make you a conditional offer of fixed-term employment (the "Offer") with Sunshine Village Corporation ("Sunshine Village") in the Seasonal, Full-Time position of Hotel Room Attendant - Summer 2026. Your job description is attached to this letter. Further information will be provided by your Supervisor and Manager, and once you start your employment.

The following outlines the terms of our offer.

EMPLOYMENT DETAILS

1. Your start date is August 6, 2026. Your fixed-term employment and this Agreement will end on the earliest of: September 23, 2026, the end of the season, or upon receipt of written notice of the close of the season (the "Term"), unless terminated earlier as provided under this Agreement. Start and end dates are dependent on weather and other factors, and are subject to change with notice to you. Your employment and this Agreement are conditional on Sunshine Village being able to open and stay open for the season in which you are hired to work.

2. During your pre-start period, Onboarding, you will be asked to provide:
   - A Social Insurance Number (SIN) and satisfactory proof of legal authorization to work in Canada.
   - An emergency contact person.
   - A current address and current personal contact information (phone number and email).
   - A permanent home address.

- Government-issued photo identification.
- Proof of Alberta Health Care coverage or a provincial/territorial equivalent, OR, proof of valid travel insurance (must show dates of validity and a policy number) if you are an international worker.

You will be asked to provide additional documents depending on the job you are hired for, which can include:

- Certifications or proof of training.
- References.
- A valid Driver's Licence (class will vary depending on position).
- A clear Driver's Abstract, showing your three most recent years of driving history.
- A Criminal Record check that's dated within the last six months.

If you are a returning employee, please ensure we have the most up-to-date versions of your required documents by reviewing your employee file with our Human Resources Team (hrseason@skibanff.com). Anything previously provided like a licence, certificate, or work permit that is temporary or attached to a limited scope or date, may need to be updated prior to your start date.

Your employment is conditional on maintaining the authorization to work in and be in Canada. Your employment is also conditional on providing required documentation, which must remain current throughout your employment. Failure to provide or maintain/update these requirements will result in your offer being rescinded or your employment ending.

3. Your employment for the first ninety (90) days will be considered a probationary period, during which your suitability and fit for your job will be evaluated. Should your employment be terminated within this period on a "without cause" basis, you will not be entitled to any notice of termination or pay in lieu of notice under this contract or at common law. Termination without cause during this 90-day period triggers no statutory obligations on Sunshine to pay notice, pursuant to section 55(2)(b) of the Alberta *Employment Standards Code* (the "Code").

4. Your employment may end before the expiry of the Term if any of the following events occur:

- Early close of operations for the season in which you are hired to work.
- Failure to maintain the authorization to work in, and be in, Canada.
- Sunshine Village may terminate your employment for cause (cause includes a breach of any term of this Agreement, a breach of any workplace policy, or any matter which constitutes cause at common law) without notice or pay in lieu of notice or severance pay upon dismissal.
- You are no longer able to fulfill the requirements of your job, including all physical requirements, due to an injury or condition that cannot be accommodated by Sunshine Village.
- You may resign from your job by providing one weeks' notice in writing, which may be waived by Sunshine Village, in whole or in part as permitted by the Code.
- After successful completion of your probationary period, you may be terminated without cause upon Sunshine Village providing the minimum period of notice required by the Code. Sunshine Village may provide this notice in the form of working notice, pay in lieu of notice, or any combination of the two, in its sole discretion.

By accepting this Offer, you acknowledge that the notice or pay in lieu of notice contemplated in this Agreement is your full entitlement to termination notice. You understand and agree that you will not be entitled to any other claim, further notice of termination, common law notice or pay in lieu of notice, or any other damages or compensation whatsoever, except to the extent that you are entitled to notice in accordance with, and limited solely to, the Code. Sunshine Village shall not be liable to provide notice of

termination, pay in lieu of notice, or severance pay in excess of that provided in this Agreement.

Any Plan (as later defined in this Agreement) coverage, any entitlement to benefits and other perquisites under this Agreement shall cease upon completion of your last day of active employment and the carrying out of your regular and normal duties.

5. You may be temporarily laid off in accordance with the requirements set out in the Code.

6. Your work schedule will be based around organizational needs and is subject to change. A standard Full-Time work week is up to forty (40) hours per week; up to eighty (80) hours per pay period. However, Full-Time hours are less in some jobs. Overall hours are less for Part-Time employees.

7. Some jobs are routinely scheduled to work more than eight (8) hours per day (e.g., 10 hours per day x 4 days per week). This is covered under an Averaging Arrangement and employees are not paid overtime for hours and days of work stipulated in the Arrangement. Hours are averaged over a period of one or two weeks, depending on business needs. If your job is subject to an Arrangement, you will be notified, and a copy will be provided to you after you start working.

COMPENSATION AND BENEFITS

8. Your wage is $18.00 per hour.

9. Your vacation pay accrual is 4%. Vacation pay is accrued on each pay period's earnings into a vacation account and is paid at the time it is taken or at the end of your Term. Days off and general holiday pay are provided in accordance with the Code.

10. Unless an Averaging Arrangement applies, overtime pay applies to all unscheduled hours worked over eight (8) hours in a day, or over forty-four (44) hours in a week, whichever is greater. Eligible employees are entitled to overtime pay of 1.5 times their regular hourly wage. **Overtime must be approved in advance by a Supervisor or Manager.**

11. Your pay will be automatically deposited into your Canadian bank account every second Friday.

12. Your total compensation includes the provision of a Sunshine Village Ski and Snowboard Resort Access Pass (the "Pass"). This Pass grants you access to the Ski Area, and is your Employee Identification, which entitles you to various discounts and perks which are approved annually by Management and vary by position and pay class (Year Round, Seasonal Full Time, Seasonal Part Time, Casual, and Volunteer). Your Pass can also be used at our staff cafeterias as a form of on-site payment linked to your earnings. At the end of each pay period, amounts deducted from your earnings indicated as linked to a staff cafeteria reflect the purchases made using your Pass. No additional fees or interest apply to these purchases. Deduction amounts vary based on what is purchased. Prices for meals and individual items are available at each staff cafeteria outlet. You will not be charged any staff cafeteria deductions if you do not use your Pass as payment when purchasing items there. Your Pass must be surrendered upon request and upon the end of your employment.

13. Certain positions, based on job responsibilities, are eligible for equipment, tool and gear allowances, and reimbursement of professional association dues, upon prior approval by a Manager/Vice President. All other required items referenced in this Agreement (training, certifications, licences, abstracts, PPE, and the like) and your Job Description are to be provided at your own cost, before you start working, or on request from Human Resources or your Supervisor/Manager.

14. The Employee Family Assistance Program ("EFAP") is available to you as soon as you start working.

15. You are provided with either Seasonal Accident Insurance ("SAI") or a Sunshine Village Group Benefits Plan (the "Plan"), depending on your eligibility - see below for details. **PLEASE ENSURE YOU APPLY for Alberta Health Care as soon as possible after you arrive in the Bow Valley, as this is**

a prerequisite for obtaining any of the benefits under SAI or a Plan.

- If you are or were enrolled in the Plan for the most recent winter season, you will remain on or rejoin the Plan through the Term as long as you remain in Full-Time status. Full-time Seasonal employees returning to Sunshine Village for a third consecutive winter season join the Plan at the start of their winter season.
- If you were not on the Plan, you will be covered under SAI which is a benefit available to you in the event of an accident. For non-resident employees, eligible SAI claims will be paid as if you have valid, provincial health care.
- A cost is associated with both the Plan and SAI. Participation by all qualifying employees is required.
- Premiums are deducted from your pay via a payroll deduction.
- You may waive extended health and dental coverage under the Plan if you provide proof of similar coverage under another benefits plan (e.g. Spousal, other job).

16. Sick or personal days are unpaid time away from work. You will need a doctor's note, at your expense, to substantiate any prolonged absence from work due to illness or injury, or to substantiate a request for workplace accommodation. For any accommodation requests, including requests for lighter or alternate duties due to an off-duty injury, any physical restrictions you have must be outlined by a medical provider to determine whether you may return to your position in some capacity. If you do not keep in contact with your Supervisor during a prolonged absence, you may be considered to have abandoned your position.

17. Once you start working, you will complete relevant training, which will include a mandatory Sunshine Village orientation session, department and job-specific training, any interdepartmental and additional safety training. You may also be put through transferable certification programs, depending on the specific job you are hired for.

COMPANY POLICIES & GUIDELINES

18. You must become familiar with Sunshine Village policies, procedures and guidelines, including all those set out in the Employee Handbook. The Employee Handbook and all workplace policies, procedures, and guidelines are incorporated as mandatory, contractual terms of your employment. You are required to follow these policies consistently, at all times on duty, and off duty when acting as a representative of Sunshine Village. Our policies are designed to ensure good guest service, safety, and compliance with applicable federal and provincial legislation. Policies, procedures and guidelines specific to your position and department, and those which affect interdepartmental work, are provided by your Supervisor and Manager.

19. You are responsible for reading and reviewing your Employee Handbook within your first seven (7) days of employment, paying particular attention to the following sections: **RESPECT IN THE WORKPLACE, FIT FOR DUTY**, **HEALTH & SAFETY** and all additional policies on personal conduct and our work environment. If you have any questions or if you are not prepared to adhere to any or all of the policies, you must contact your Supervisor, Manager and/or Human Resources no later than your seventh day of employment. If you do not advise to the contrary, you hereby agree to comply with and be bound by all associated Sunshine Village policies, and you agree that if you are non-compliant, your employment will be terminated for cause. Please carefully read the excerpts from some of our key policies at the end of this employment offer.

Sunshine Village may, from time to time, amend, alter, change or delete policies to meet business and legislative needs, and you agree that upon receiving notice of such policies, your employment will be governed by such revised policies.

20. Your entire work product is the exclusive property of Sunshine Village.

21. During your employment, you may become aware of confidential information. All information obtained during your employment that is not public knowledge remains, at all times, the property of Sunshine Village and/or its partners, joint-venturers, and independent and dependent contractors. Confidential Information includes, but is not limited to: proprietary material (HR Policy Manual, Employee Handbook, training manuals and documentation, Health and Safety Manual, internal correspondence) closed-circuit camera footage, incident recordings, guest recordings, reports and statements, guest and employee personal information, and product and pricing information. You agree that you will not directly or indirectly, via social media, word of mouth, or any other means of communication, disclose any Confidential Information to anyone, except as may be required in the course of performing your job, or as may be required by law. You agree that this duty to maintain confidentiality continues even after your Term, and this Agreement, has expired.

22. Ride breaks are permitted when scheduled and approved, but are not part of job duties and are removed from the regular course of your employment. All employees are required to sign out for the duration of the break, and sign back in upon returning to work. Breaks are unpaid and are not covered by the Alberta Workers' Compensation Act. If you choose to hike, ski, ride or recreate on your breaks and are injured in doing so, Sunshine Village will not support any WCB or other claim you may have relating to the above. You must adhere to the Alpine Responsibility Code (the "ARC") always, on and off-duty, and will not be exempt from consequences if you do not ski, ride, or hike responsibly. Failure to follow the ARC (available widely online and in the Employee Handbook) may include suspension or removal of Pass privileges, which may result in further disciplinary action or termination of your employment for cause.

23. By accepting this offer of employment, you hereby authorize Sunshine Village, its team members, agents, partners and those authorized by the Company, now and in the future, without any payment or further payment to you, the non-exclusive right to your involvement in advertising and promoting Sunshine Village's products, services and internal communications. This includes any record, copy, publication, reproduction, transmission and use of any written, electronic, audio or visual format, in any form or medium, your name, likeness, and any spoken or written statements. All images, articles, written statements and documents on any media shall be considered the property of Sunshine Village.

JOB-SPECIFIC REQUIREMENTS

24. Some jobs and responsibilities/specific work tasks require certifications or professional designations, copies of which must be provided upon commencing employment, including: first aid/emergency response certificate; avalanche skill and operations training levels; ProServe and ProTect; specific class of Driver's Licence, specific vulnerable sector Criminal Record Check, apprenticeship or journeyperson designation and status.

This is not a complete list: additional jobs and responsibilities may also be subject to requirements. If the requirement is outlined in the job description, it is a pre-employment requirement. Once you commence your job, if you are tasked with taking on additional responsibilities that require certifications or training, training will be provided.

25. Employees working in positions requiring skiing or snowboarding as part of their regular job duties are required to complete a Ski and Snowboard Competency Assessment, and will be required to be retested upon request of a Supervisor/Manager, or when switching disciplines or required ability levels. You will not be permitted to ski or snowboard as part of your job duties until you have successfully

demonstrated the ability to ski and ride professionally, and met the required skill level for your position. You will not be permitted to ski or snowboard as part of your job duties if it does not form part of your job description.

26. You must provide your own tools and equipment for your first day of employment, unless told otherwise. Footwear must be appropriate for working in an alpine environment, and may be required to be CSA-approved for your specific work site. Ski and snowboard equipment must be up-to-date and in good repair and meet any position-specific restrictions. Ski bindings must be professionally adjusted. Sunshine Village reserves the right to require equipment testing and may require items to be adjusted or replaced if they do not meet the standards of the Sunshine Village Equipment Restrictions Policy.

27. Wearing a helmet that meets one of the Canadian Ski Council recommended standards (ASTM F2040; CEN 1077; Snell RS-98; Z263.1) is mandatory when working on skis/on your snowboard.

28. All employees hired into a job where they operate vehicles, or light machinery (e.g. snowmobiles), must provide a current and valid driver’s license from their home country, province, or an international licence.

29. Operating a snowcat, any heavy equipment (e.g. loader, telehandler), a commercial vehicle (e.g. shuttle busses), or driving a light passenger/non-commercial company vehicle on public roads requires additional standards to be met: operators must be over 21 years of age and must submit, during onboarding or within the first two weeks of their employment, a driver’s abstract showing their most recent three years of driving history.

Employees considered "high risk" after a review of their driving record will not be permitted to operate any vehicles or machinery. Sunshine Village reserves the right at any time to request an updated driver's abstract or licence/class, and/or proof of driving references.

Employees must complete necessary documentation and training upon commencing employment. Operating any vehicle or piece of machinery requires documented, specific training prior to start, regardless of whether you have been trained on the same or a similar vehicle/machine elsewhere. Operating without training or authority will result in termination of employment for cause.

If you are required to or are driving a company vehicle on public roadways and do not have an Alberta driver’s licence, you must obtain one after living in Alberta for ninety (90) days.

We look forward to working with you, Stephen! Your knowledge and skills will be valuable assets to Sunshine Village.

Please call or email us at the contacts provided below if you have any questions. To accept, you must click to indicate your acceptance and that you have read, understood, and agree to the terms and conditions set out in this Offer. This Offer will expire in seven (7) days.

Sincerely,

Sunshine Village Recruitment Team

(403) 431-3192

jobs@skibanff.com

This offer is subject to acceptance of the terms and conditions as set out in this letter, all of which become effective as of the date of acceptance. This offer is governed by applicable federal laws, and the laws and regulations of Alberta. If any provision of this offer is determined to be invalid or unenforceable in whole or in part, such invalidity or unenforceability attaches only to such provision and everything else in this offer continues in full force and effect. This agreement may not be assigned by the employee. The terms and conditions of this offer shall continue to govern unless altered in writing by Sunshine Village, regardless of any changes to your position, including, without limitation, job title, job responsibilities, seniority, years of service or compensation. All notices and other communications given in connection with this Agreement shall be sufficiently given if in writing and sent by email or direct electronic message, by hand or by courier, or by registered mail.

RESPECT IN THE WORKPLACE (complete text is located in the Employee Handbook):

Sunshine Village is committed to providing and maintaining a workplace free from discrimination and harassment, where employees are accorded equality of employment opportunity based on merit and ability. Employees have the right to work in an environment free from bias, including those grounds listed in applicable laws, rules and regulations. Employees are expected to behave in a professional manner and treat others with respect, including by refusing to participate in or tolerate any known instances of discrimination or harassment, and should support fellow employees who wish to report incidents.

FIT FOR DUTY (complete text is located in the Employee Handbook):

Sunshine Village is committed to providing and maintaining a safe work environment for all employees, contractors and volunteers and ensuring everyone understands they must report to work fit for duty. Fit for duty means not under the influence of an illicit drug, alcohol or medication or, in the case of extreme fatigue or affected by illness, not in a state that will hinder job performance or compromise the safety of yourself or others.

Failure to follow this policy or take reasonable care to protect your own safety or the health and safety of others will result in disciplinary action, including immediate suspension or termination of your contract.

You are responsible for refraining from illegal or legal impairing substance use directly before work, reporting fit for duty, and remaining fit for duty at all times while performing work.

You are responsible for disclosing (in advance) to your Manager or Supervisor any use of medication, prescriptions, underlying health conditions or extreme fatigue issues that could have the potential to impair your performance or compromise your safety or the safety of others.

Sunshine Village reserves the right to request an employee take an alcohol/drug test in certain situations. The policy is zero-tolerance, and refusal or failure to undergo a test will be treated the same as a “positive” result.

Restrictions apply to staff functions, and company sponsored events. Unsanctioned events are not permitted.

HEALTH AND SAFETY (complete text is located in the Employee Handbook):

Sunshine believes our people are our single most important resource. Our commitment is to our team members’ safety. Sunshine’s goal is to prevent all workplaces injuries through ongoing education, training, and communication.

Training: All team members complete an orientation where the health and safety program and general responsibilities are reviewed, and additional department and job-specific training.

Communicable Illness and Disease: Team members must only report to work in a state of health such that they do not pose a risk to themselves or to others. Anyone who falls ill with symptoms of a communicable illness is required to stay home, or leave the workplace.

Modified Work Program: Sunshine is committed to provide suitable and meaningful alternative work for any injured team member unable to perform their regular duties as a result of a work-related accident.

Helmet Usage: While performing assigned work on skis or a snowboard, wearing a helmet that meets one of the Canadian Ski Council recommended standards is mandatory for all team members.

Incident Reporting: It is your responsibility to report all incidents, including injuries, property damage, vehicle damage, and environmental (spills), no matter how trivial, to your Supervisor. We investigate incidents and near misses to improve our training and programs, and to issue discipline, when warranted.
