Dear Hiring Manager,

I am writing to apply for the **Warehouse Picker** position advertised by Action Workforce for the Brisbane Airport location.

Most recently, I worked as a Hotel Room Attendant at Banff Sunshine Village in Canada, a physically demanding position requiring reliability, organisation, attention to detail and the ability to maintain a consistent pace throughout each shift.

While I am new to warehouse picking, I am comfortable with hands-on work, following established procedures and working toward performance standards. I am dependable, physically capable, quick to learn and comfortable working both independently and as part of a fast-paced team.

I am an Australian citizen with unrestricted working rights and am willing to complete the required Police Check, medical, drug screening and physical assessment.

I would welcome the opportunity to contribute to your team and develop long-term experience within the warehousing industry.

Thank you for considering my application.

Kind regards,

Stephen Cooke
