Dear Hiring Manager,

I am writing to apply for the Call Centre Agent position with Advance Impact in Brisbane.

I bring extensive customer-service and relationship-management experience, including several years as an Account Executive with Aon. This involved communicating with clients, understanding their needs, building relationships and working within a commercially focused environment where performance and results mattered.

More recently, I worked in hospitality at Banff Sunshine Village in Canada, further strengthening my ability to communicate effectively with people from diverse backgrounds and provide professional, friendly service in a fast-paced environment.

While I am new to dedicated call-centre work and tele-fundraising, I am confident speaking with people, resilient, adaptable and comfortable working toward goals and KPIs. The opportunity to apply those skills to conversations that support meaningful charitable causes particularly appeals to me.

I am an Australian citizen with unrestricted working rights and would welcome the opportunity to contribute to the Advance Impact team in Brisbane.

Thank you for your consideration.

Kind regards,

Stephen Cooke
