

STEPHEN COOKE

Awnings And More Inc.
Calgary, AB

29 July, 2026

Dear Hiring Manager,

I am writing to apply for the Field Technician (Awnings Installer) position with Awnings And More. Having recently returned to Canada after living in Australia, I am seeking a long-term opportunity where I can combine my technical aptitude, strong work ethic, and hands-on problem-solving skills with a company that values teamwork, customer service, and personal growth.

I enjoy practical, physical work and take pride in producing high-quality results. Through my background in IT support and computer hardware repair, I have developed strong troubleshooting abilities, attention to detail, and confidence using hand and power tools. I learn quickly, communicate effectively with customers, and remain calm and solution-focused under pressure.

I am comfortable working outdoors, enjoy learning new skills, and appreciate the opportunity to work in a role where every day presents new challenges. Your focus on attitude, accountability, and delivering exceptional customer experiences strongly appeals to me, and I would welcome the opportunity to contribute to a team that values hard work and continuous improvement.

I hold a valid Ontario Class G driver's licence and am willing to relocate to Calgary. I am eager to learn your installation methods and build a long-term career with Awnings And More.

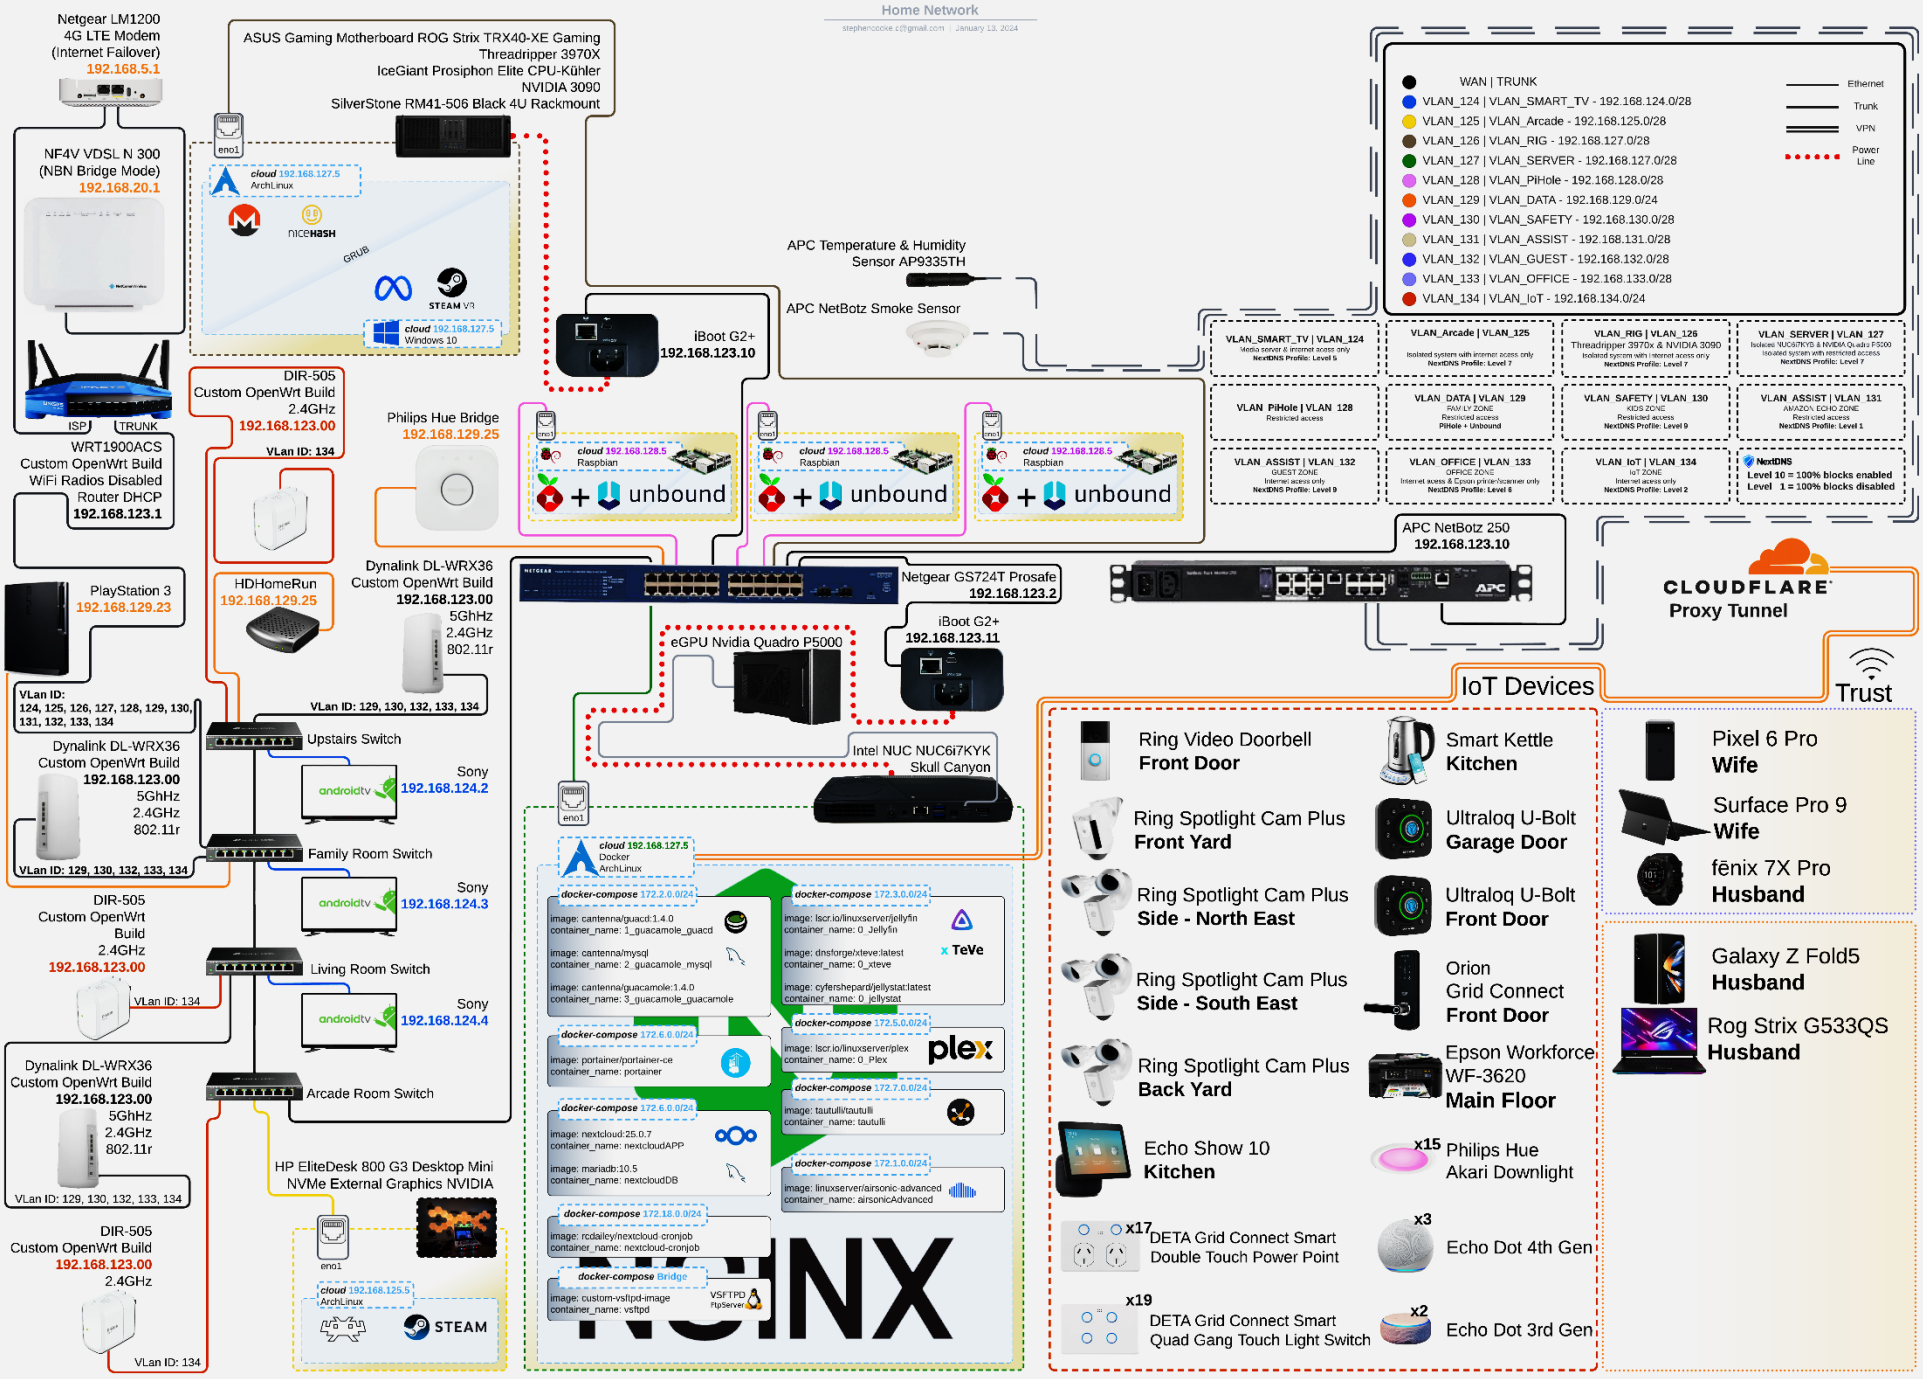

Thank you for your time and consideration. I look forward to discussing how I can contribute to your team.
