Dear Hiring Manager,

I am applying for the Train Conductor position in Medicine Hat. As a Canadian citizen recently returned to Canada after living in Australia, I am seeking a long-term, hands-on career built around safety, accountability and teamwork.

My background spans technical, supervisory, business ownership and client-facing roles. Throughout my career, I have demonstrated strong focus, clear communication, sound judgement and the ability to quickly learn complex systems and procedures. I am comfortable working independently while remaining accountable to a team and established operating rules.

I understand the physical demands, unscheduled 24/7 shifts, outdoor conditions and safety-critical responsibilities of railway operations. I am flexible, prepared to relocate to Medicine Hat and genuinely interested in building a long-term career with CPKC, with the opportunity to learn, develop and progress within railway operations.

Kind regards,
Stephen Cooke
