Dear Hiring Manager,

I am applying for the Housekeeping Supervisor position with Canadian Rocky Mountain Resorts in Field, BC.

I currently work as a Hotel Room Attendant at Banff Sunshine Village, maintaining guest rooms to professional resort standards while working efficiently in a physically demanding environment.

Alongside my current housekeeping experience, I bring previous management experience involving team coordination, communication, prioritization, and problem-solving. I believe this combination provides a strong foundation for progressing into a housekeeping leadership role.

I am currently based in Alberta and am willing to relocate to Field, BC. I would require staff accommodation and am particularly interested in establishing myself in a permanent hospitality position with opportunities for growth.

Thank you for considering my application. I would welcome the opportunity to contribute my hospitality experience, leadership background, and strong work ethic to CRMR.

Kind regards,

Stephen Cooke
