Dear Hiring Manager,

I am applying for the Sales Associate position with Canadian Tire Canmore.

I currently work at Banff Sunshine Village, where I have developed strong customer service, teamwork, communication and time-management skills within a fast-paced resort environment. I also bring extensive previous experience working with customers, resolving problems and communicating professionally with people from a wide range of backgrounds.

My technical and hands-on background also gives me a strong understanding of computers, electronics, hardware, tools and general troubleshooting, which I believe would be valuable when assisting Canadian Tire customers.

I am reliable, approachable and comfortable working independently or as part of a team. I am also available for full-time employment and am flexible regarding closing and weekend shifts.

I would welcome the opportunity to contribute my customer service experience, practical knowledge and strong work ethic to the Canadian Tire Canmore team.

Thank you for considering my application.

Kind regards,

Stephen Cooke
