Mississauga, ON L5W 0G2
Canada

05 October, 2026

Dear Hiring Manager,

I am writing to apply for the **Corporate Barista** position with Compass Group Canada in Toronto.

I bring extensive customer-service experience together with recent hospitality experience at Banff Sunshine Village. Earlier in my career, I also spent several years with McDonald's working in meal preparation across breakfast and afternoon service, including opening and closing kitchen operations.

While I am looking to further develop my professional barista experience, I am comfortable in fast-paced food-service environments, working with customers, maintaining cleanliness and sanitation standards, stocking supplies and supporting a team wherever needed.

I am reliable, personable, quick to learn and have unrestricted authorization to work in Canada. I would welcome the opportunity to bring my hospitality and customer-service experience to the Compass Group team.

Thank you for your consideration.

Kind regards,

Stephen Cooke
