Dear Hiring Manager,

I am writing to apply for the **Full-Time Front End Assistant** position with Costco Wholesale at North Lakes.

I bring extensive customer-service experience together with previous retail and recent hospitality experience. Earlier in my career, I worked as a Supervisor at Compucenter, where I assisted customers and was trusted with independently opening and closing the store. Most recently, I worked as a Hotel Room Attendant at Banff Sunshine Village, performing physically demanding work while maintaining high standards of cleanliness, organisation and guest service.

I am comfortable working in busy environments, assisting customers, performing physical tasks and contributing wherever needed to keep operations running smoothly. I am dependable, approachable and accustomed to working both independently and as part of a team.

As an Australian citizen, I have unrestricted working rights and would welcome the opportunity to contribute to the Costco North Lakes team.

Thank you for your consideration.

Kind regards,

Stephen Cooke
