Dear Hiring Manager,

I am writing to apply for the **Warehouse Worker** position with HANARO MART at your Richlands facility.

Most recently, I worked as a Hotel Room Attendant at Banff Sunshine Village in Canada, a physically demanding role requiring reliability, organisation, attention to detail and the ability to maintain a consistent pace throughout each shift.

While I am new to warehouse work, I am comfortable with manual handling, following established procedures, maintaining clean and organised work areas and working accurately under time pressures. I am physically capable, dependable, quick to learn and comfortable working independently or as part of a team.

My previous customer-service and retail experience has also developed strong communication skills and an understanding of the importance of reliability and teamwork.

I am an Australian citizen with unrestricted working rights and would welcome the opportunity to develop my warehousing experience with HANARO MART.

Thank you for considering my application.

Kind regards,

Stephen Cooke
