Dear Hiring Manager,

I am applying for the Cabin Baggage Officer and Customer Service Officer position with Jetstar at Gold Coast Airport.

I bring extensive customer-facing experience, including several years as an Account Executive with Aon, and currently work in hospitality at Banff Sunshine Village in Canada.

I am a confident communicator and problem solver, comfortable using technology and multiple systems while remaining calm and professional in fast-paced environments. I value accuracy, teamwork and delivering positive customer experiences.

I am an Australian citizen with unrestricted working rights and am planning my return to Queensland. I can offer flexible availability across a seven-day roster, including Christmas and New Year.

Thank you for considering my application.

Kind regards,

Stephen Cooke
