Dear Hiring Manager,

I am writing to express my interest in casual Film, TV and Commercial Extra opportunities in Brisbane.

While I do not have professional acting experience, I am comfortable meeting new people, taking direction and adapting to unfamiliar environments. My background spans customer-facing professional roles and more recent hospitality work, which has made me comfortable working with a wide range of people and remaining professional in busy environments.

I am an Australian citizen with unrestricted working rights and am interested in exploring opportunities as both an extra and featured extra across television, film, commercials and promotional productions.

I would be very happy to attend an upcoming Brisbane information session and learn more about the casting and submission process.

Thank you for your consideration.

Kind regards,

Stephen Cooke
