Dear Hiring Manager,

I am writing to apply for the **Overnight Team Member** position with Saisethsons Hospitality Group at Tim Hortons in Etobicoke.

I bring extensive customer-service experience together with recent hospitality experience at Banff Sunshine Village. Earlier in my career, I also spent several years working at McDonald's, preparing meals during breakfast and afternoon service and assisting with opening and closing kitchen operations.

I am comfortable in fast-paced environments, working as part of a team, maintaining high cleanliness standards and providing friendly customer service. I am dependable, adaptable and comfortable working overnight hours.

I would welcome the opportunity to contribute to your team and further develop my experience in food service and hospitality.

Thank you for your consideration.

Kind regards,

Stephen Cooke
