**Shawarma Royale**
**250 Eglinton Avenue East**
**Toronto, ON M4P 1K2**

**17 October, 2026**

Dear Hiring Manager,

I am writing to apply for the Line Cook position at Shawarma Royale.

I bring several years of experience working at McDonald's, including kitchen operations, food preparation, opening and closing duties, and maintaining cleanliness and food safety standards in a fast-paced environment.

Most recently, I worked as a Hotel Room Attendant at Banff Sunshine Village, further strengthening my time management, teamwork and attention to detail.

I am reliable, adaptable and comfortable following recipes, maintaining organised workstations and working efficiently under pressure.

Although my previous kitchen experience is not specific to shawarma preparation, I am enthusiastic about learning your menu, cooking techniques and service standards.

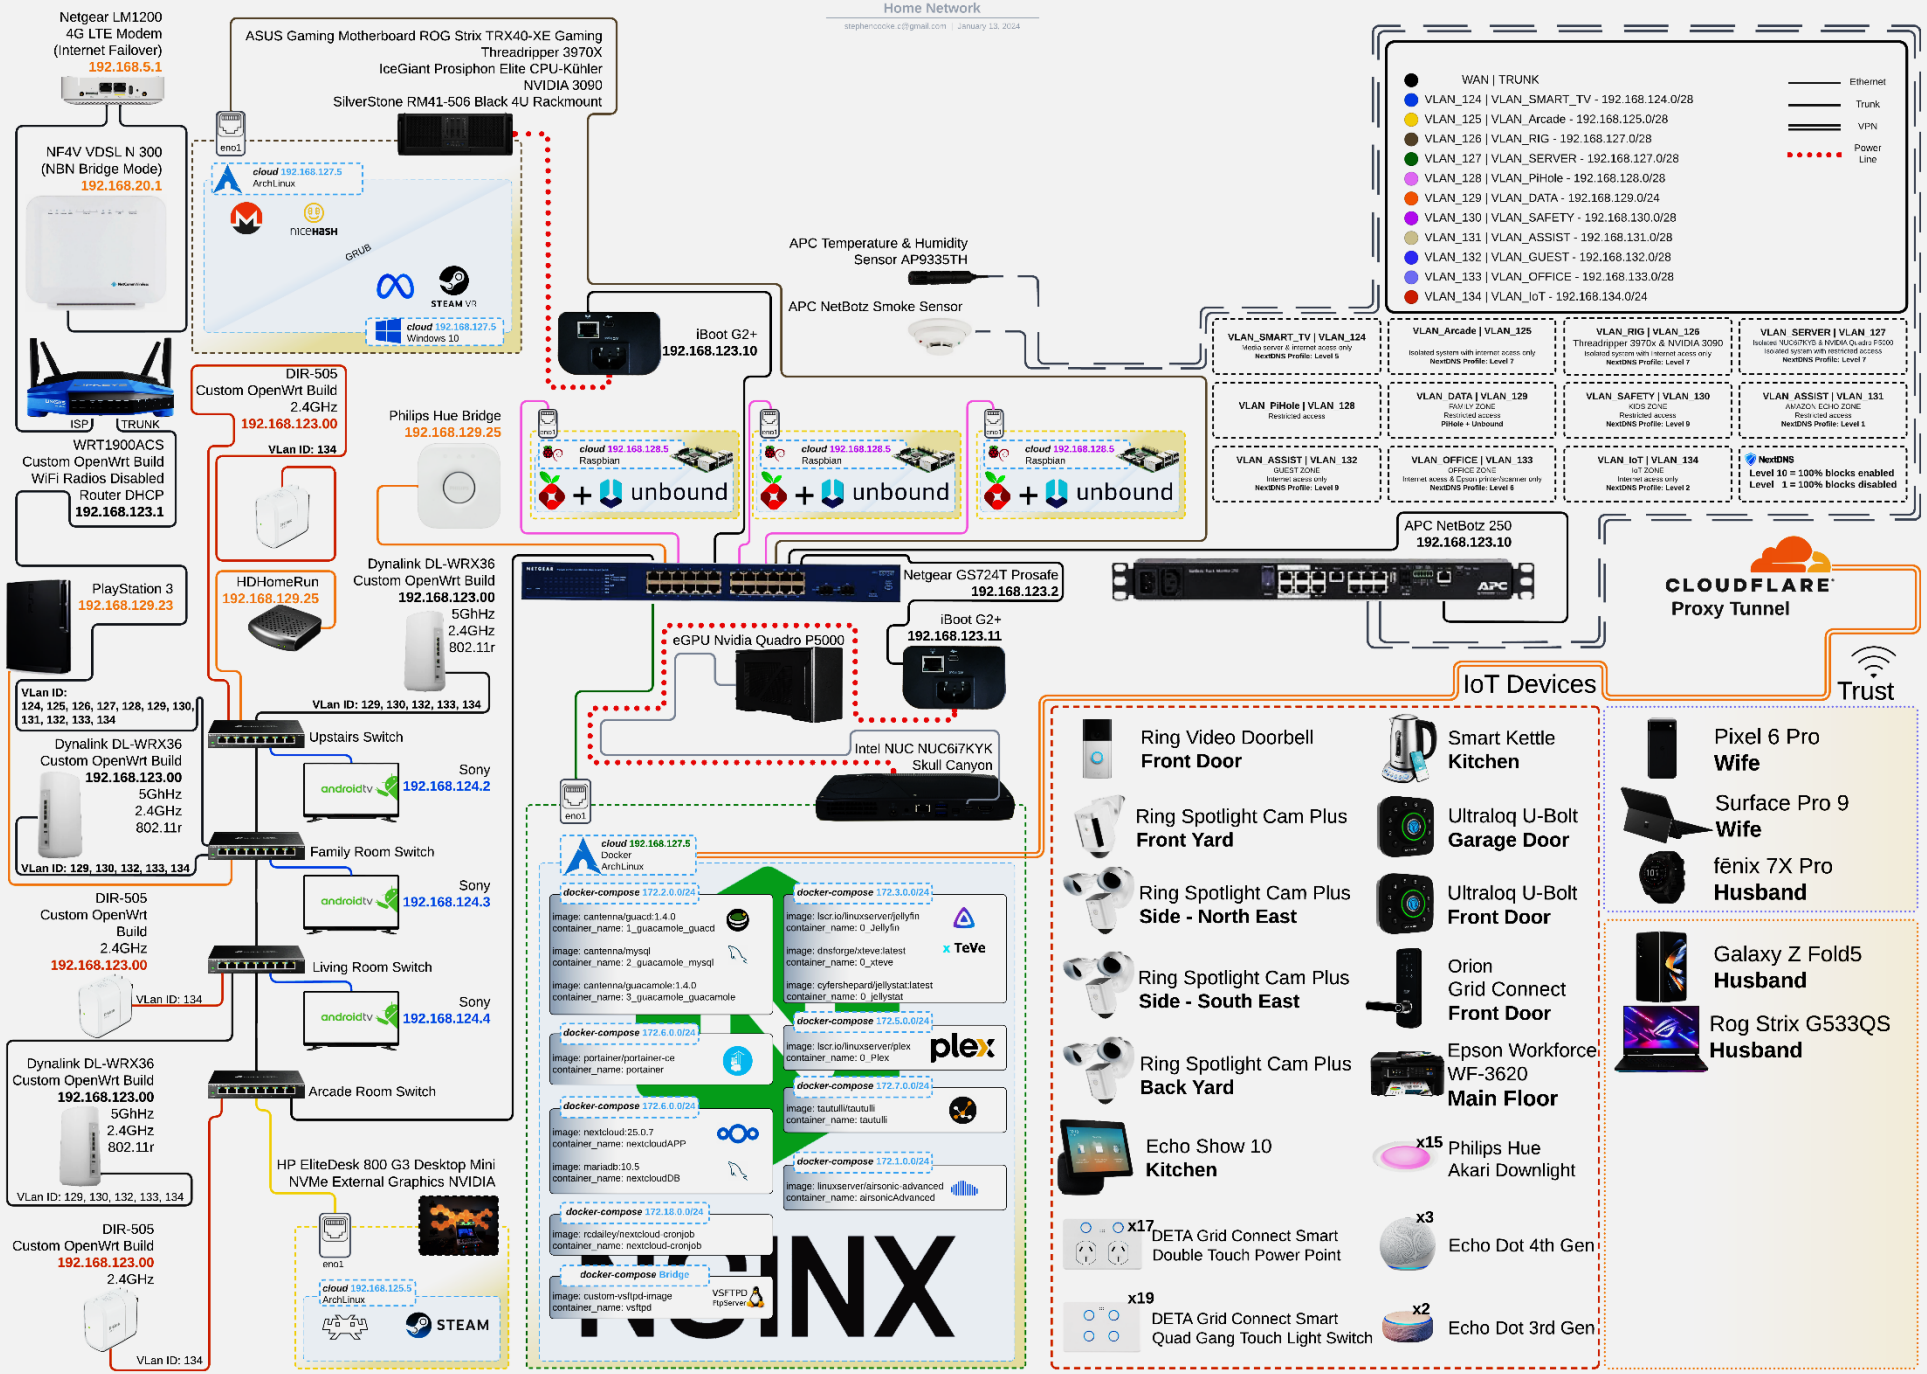

I would welcome the opportunity to contribute my work ethic and hospitality experience to your team.

Thank you for considering my application.

Kind regards,

Stephen Cooke
