Dear Recruitment Team,

I am writing to express my interest in the Hotel Food & Beverage Manager position. As a current Sunshine Village Hotel Room Attendant, I have gained firsthand experience of the Resort's operational environment and the teamwork, attention to detail, and high standards required to provide an exceptional guest experience.

This opportunity particularly interests me because it combines service delivery, operational management, leadership, and collaboration across departments. I would welcome the opportunity to build upon my current knowledge of Sunshine while contributing my broader professional experience.

My background includes business management, client service, administration, and technology, providing me with strong communication, organizational, problem-solving, analytical, and relationship-management skills. I am comfortable taking responsibility, working under pressure, and maintaining a professional and service-focused approach.

I have thoroughly enjoyed working at Sunshine Village and would welcome the opportunity to take on greater responsibility and continue developing my career within the organization.

Thank you for considering my application.

Kind regards,

Stephen Cooke
