

STEPHEN COOKE

Sunshine Village Recruitment Team
Banff Sunshine Village

04 September, 2026

Dear Recruitment Team,

I am writing to express my interest in the Resort Services Manager position. As a current Sunshine Village Hotel Room Attendant, I have gained firsthand experience of the standards, teamwork, attention to detail, and operational demands required to deliver a positive guest experience in Sunshine's unique on-mountain environment.

The opportunity particularly interests me because it combines operational management, leadership, continuous improvement, and collaboration across departments. I am also excited by the prospect of contributing to the development of this newly established role and Resort Services function.

My broader professional background includes business management, client service, administration, technology, and stakeholder relationship management. As Owner and Managing Director of CookeInCode Pty Ltd, alongside my previous professional experience with Aon, I have developed strong skills in communication, problem-solving, accountability, relationship management, and service delivery.

I believe these transferable skills, combined with my current operational experience at Sunshine, provide a strong foundation for this opportunity. I have thoroughly enjoyed working at Sunshine Village and would welcome the opportunity to continue developing my career within the organization.

Thank you for considering my application.

Kind regards,

Stephen Cooke
