Dear Hiring Manager,

I am applying for the Customer Service Officer opportunity with Top Office Group in Ipswich.

I bring extensive customer-facing and administrative experience, including several years as an Account Executive with Aon, where I managed client enquiries, maintained professional correspondence, coordinated administrative requirements and built strong client relationships.

I am confident communicating by phone and email, working within established policies and processes, and managing competing priorities in fast-paced environments. I also have strong technical skills and am comfortable learning new systems, navigating multiple applications and accurately maintaining information.

I am an Australian citizen with unrestricted working rights and am planning my return to Brisbane. I am available for the required full-time training commencing October 20, 2026 and can offer flexible availability for the ongoing roster.

Thank you for considering my application.

Kind regards,

Stephen Cooke
