Dear Hiring Manager,

I am writing to express my interest in the General Merchandise Assistant Manager position with Walmart Canada. I am a customer-focused professional with strong problem-solving, organizational, and leadership skills, excited to contribute to a team committed to delivering an outstanding customer experience.

Throughout my career, I have developed the ability to manage competing priorities, communicate effectively, and resolve complex issues while maintaining professionalism. My background in IT support, insurance, and customer service has strengthened my ability to improve processes and build positive relationships with customers and colleagues. I believe effective leadership is built on accountability, integrity, and supporting others to succeed.

I thrive in fast-paced environments where teamwork, adaptability, and sound decision-making are essential. I enjoy learning new systems and contributing wherever needed to achieve operational goals.

I hold a valid Ontario Class G driver's licence with a clean driving record and am currently based in Cobourg, Ontario. Having recently returned to Canada after living in Australia, I intend to relocate to the Grande Prairie region to establish myself long-term.

Thank you for considering my application. I welcome the opportunity to discuss how my leadership, customer-focused approach, and dedication to excellence can contribute to Walmart Canada's continued success..
