Hi Samuel,

Thank you for your email.

Unfortunately, due to financial constraints and other extenuating circumstances, I am no longer in a position to continue with these services. As a result, I have returned to Germany with the intention of selling the vehicle.

Could you please let me know whether this is something CarTurf can assist with locally, or is it my responsibility to find a buyer independently?

I appreciate any guidance you can provide regarding the process and the best way to proceed.

Thank you for your understanding, and I look forward to hearing from you.

Kind regards,

Stephen Cooke
