Subject: Re: Timing for Monday and questions for your input

Hi Jacqueline,

a) Yes. Regarding the custody, currently aparte from school holidays, the interim agreement spans 6 nights, with 5 nights occurring every fortnight, and the remaining week only involving a Thursday night.

b) Yes, the initial offer made by Heather when she announced she would be leaving me, for a 12 month period, Heather would continue to pay all outgoings (electrical, gas, water) the mortgage (and any related property expenses) as well as $5,000 per month in spousal maintenance. However, the agreement fell apart when we expressed that the proposed custody arrangement was unacceptable for both the children and myself, given my role as the primary caregiver.

c) Yes. The mortgage on the family home has increased by approximately 1k per month due to Heather's decision to remove all funds. The home, originally meant for a family of four, does not make financial sense for me to maintain alone for 12 months. I'm concerned about the potential scenario where I may have to explain to the Magistrate why I shouldn't be solely made responsible for the mortgage and all expenses for an extended period, considering I was the one residing in the home.

Kind regards,

Stephen Cooke
