Dear Praemium,

Regarding account SMA00418788, I kindly request the following:

1. Removal of the regular contribution plan of $5,000. Additionally, I would appreciate an investigation as suggested into why the contribution persisted despite my letter to Praemium dated 08-12-23, instructing the cessation of contributions.

2. Maintenance of the ability to withdraw funds to the specified account below.

3. Withdrawal of $6,000 to the nominated account specified below.

Financial Institution Westpac	BSB 732-501
Account Name Stephen Cooke	Account Number 653193

As per our discussion, my understanding is that there is a requirement to maintain 1% cash in the investment, which (atm) is equivalent to $2,000. Additionally, I am advised that there is a total of $8,400 in cash investment available enabling this request to be processed without the sale any assets and, as this is managed funds investment and no assets had to be sold, no fees are applicable for the fulfillment of this request.

Sincerely,

Stephen Cooke
