Dear Stephen

**Unable to accept your estimate of income**

We are writing to advise you that we are unable to accept the estimate of income you provided on the **21 May 2025**. This is because:

> You have not provided your year to date (YTD) income amount. We can not accept an estimate of your income without this information for case 499901692.
>
> The YTD income is the amount you have earned from the start of the financial year to the date your initial estimate was lodged. Your YTD income amount needs to be accurate as we will use this information to verify your estimate.

**What this means for you**
Your Child support is still payable at the current rate.
If you wish to lodge another estimate, you need to provide us with;
- your accurate year to date income; and
- details of your new estimated income from the day you notify us to the end of the financial year.

Please contact us if your situation changes as you may be able to lodge another estimate of your income.

**Important**
You need to tell us as soon as possible of any changes to your circumstances, such as care arrangements, income, employment status or contact details. In most cases, changes can only be made from the date you tell us.

Update your information by:
- going to **my.gov.au** signing in and selecting Child Support to access your online account.
- using the **Express Plus Child Support mobile app**. You can download the free app to your mobile device. Make sure you have the latest version installed. For information, go to **servicesaustralia.gov.au/expressplus**

**For further information**
Please contact us on **131 272** if you have any questions about this letter. Please quote your child support reference number **712 418 500 816** when you call, to help us provide you with faster service.

Yours sincerely
