Hi █████

I just wanted to ask one additional question ahead of the 23rd. As I'm not originally from the Canmore/Banff area, I'm currently looking into longer-term accommodation options should the position progress to full-time employment.

Does █████ Cleaning have any staff accommodation available, assistance with housing, or connections with local landlords or housing providers that you typically recommend to employees?

I completely understand if accommodation isn't provided directly; I just wanted to ask so I can plan ahead if things go well on the 23rd.

Thanks again, and I'm looking forward to working with you and the team.

Hi Stephen,

If things go well, we have a connection for accommodation but it isn't included with the job, it would need to be paid by you and it is in Canmore.

NI

Hi

If things go well on the 23rd, I'd definitely be interested in exploring that option. If you happen to know the approximate monthly cost and whether it would be a private or shared accommodation, that would be really helpful for my planning.

Thanks again — I really appreciate it.
