Good evening Rebecca, Jacqueline,

In preparation for tomorrow 's meeting I have prepared the attachments. "Notes for Barrister Meeting April 3 2024.docx" is the guide.

Jacqueline, can we amend the affidavit to include I had organized the boys covid vaccines? Also my Job description is not quite correct in the submitted affidavit, I worked for Aon as an Account Receivable Insurance Broker.

Kind regards,

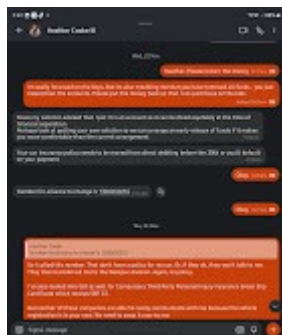

Stephen

Good morning,

In Heather's recent affidavit concerning the hospital incident, perhaps it's just my eyes getting a bit old, and I am not a doctor, but it appears that the "outlining" done at Lake Macquarie may have been a bit exaggerated. It's possible that Heather's insistence on taking Joshua to Lake Macquarie Private was unnecessary, especially considering that I had already scheduled an appointment with his GP for 10:00am the following morning. Fortunately, I didn't have to incur any expenses or endure a lengthy wait to see the emergency physician, thanks to Heather's connection to Lake Macquarie Hospital.
