Im not paying - I've been out of the country and I haven't used your services once.

My next step is taking this toxic relationship to social media.

Hi Stephen,

Thank you for your email.

The cancellation form will not allow you to submit as you now have a dishonoured payment on your profile.

The debt is required to paid for before the form can be completed.

Please advise how you wish to proceed with payment:

- In-person at the gym
- Over the phone
- Direct Debit

Once paid, we can assist you further.

Kind Regards,
Team EMF

Dear Team EMF,

Thank you for your response.

Unfortunately, the weblink provided does not allow me to access or complete the cancellation form. As I am currently overseas, I am unable to visit a physical location or troubleshoot locally.

Could you kindly assist by either:

- Sending the cancellation form directly as a PDF attachment, or
- Providing an alternative method to complete the cancellation remotely?

I would appreciate your help in finalising this as soon as possible.

Warm regards,
Stephen Christopher Cooke
