Hi all,

Can I confirm that we are in agreeance that the funds from the overpayment should be directed to the joint asset pool, which is held jointly in trust by Ramsden Lawyers?

If we are in agreeance can the trust fund details be sent to Habitat?

Kind regards

Heather

Thank you Michelle. Ultimately doesn't matter how just that it gets sorted out, mistakes happen.

Please allow me time this evening to double check I didn't accidentally pay twice. If I haven't, I'll send an email later this evening confirming as such with Ramsden Family Law Payment information for Heathers approval.

Kind regards,

Stephen

I sent figures with styling payment on them to you. I spoke to Brooke at Robinsons and confirmed this had been taken into account and this did not need to be paid. I gave specific breakdown as to the amount required to be disbursed. This was also in our letter enclosing order on the agent. Yes we paid habitat as per my breakdown to you.

I don't understand how this could have been paid for the estate when all involved is aware that I am to pay.

Thanks Heather. Michelle, can you please straighten this out? Prior to settlement you advised me by email Delaney Roberts advised you that it was agreed that I was responsible for stage costs with Habitat and I agreed and bade up the figures you presented me prior to settlement, it would appear you actioned payment to Habitat.

Seperate and apart from that, I was also having phonecalls with Meagan and advised her of this agreement as well and additionally that the agreement I had in place with Mike and to please liaise with him to ensure this was handled properly.

Did I pay twice or did what Heather state happen?

Kind regards,

Stephen

Hi,

If it's been payed twice , it's been paid once from the asset pool and once by Stephen.

The costs should be paid by Stephen so the refund should go to the asset pool the account details are those into which the remainder of the deposit was sent. I'll clarify with the conveyancers tomorrow.

Kind regards

Heather

Good Afternoon,

I have checked with our accounts and we have paid as well as the solicitors on settlement. You will need to refund the vendors – I have copied them into your email and they can advise where funds are to be directed too.

You will need authority from both parties.

Kind Regards

Carlie

Hi Carlie,

It looks like we have received a second payment for Morgan Street styling as per below. Are you able to confirm this and advise of account details so that we can arrange a refund?

Thanks,
