Dear all,

Thank you very much for your interest and attendance at the Employment Clinic for Newly Arrived Migrants yesterday and today! We loved to have you at our workshop and it was great to see the enthusiasm from the participants to find Australia and particular Newcastle your home.

As discussed in the session, we will have 2 follow-up Zoom sessions in July and August to see where everybody is in terms of finding employment, and how we can help with your progress. We would like to take those opportunities to answer any questions you may have in search of employment, and share any progress about finding employment.

The dates and times are as below:

**18th July 7pm-8pm****15th August 7pm-8pm**

I will send separate emails with Zoom links as meeting invites. Please let me know if you don't receive them!

Thank you and please, do keep in touch!

Yours faithfully,

**JEANNIE EUN SU LEE**
